

Covid-19 Message to our guests

Lakemont Park is committed to the Health and Safety of our staff and Guests. The following steps have been implemented to ensure we are adhering to all state and local guild lines set by the CDC and the PA DOH.

- Face coverings are required if unvaccinated. Guests who have been fully vaccinated no longer require a mask. If you do not have a face covering and would like one, they are available for sale at Links Ticket Booth. Disposable masks will also be available at no charge for guests who forgot a mask.
- Social Distancing is important. For your convenience, we have placed markers 6 feet apart at all ticket booths, food stands, and open attractions. Additionally, we have posted signage throughout the grounds reminding our guest of the importance of social distancing.
- All areas of the park are deep cleaned daily to prevent the spread of any illnesses.
- All high touch points are sanitized multiple times a day.
- All golf clubs, bats, riding surfaces are sanitized after each use.
- Occupancy is at 75% capacity through May 31, 2021 according to current guidelines. Beginning June 1, 2021, the park will be at 100% capacity according to state guidelines.
- Seating areas have been spaced to adhere to CDC guidelines.
- We have developed plans in the event of employee illness and will react swiftly if faced with this.
- All customer facing employees are required to wear face coverings.

Have fun safely!
